

**File Code: RES.1847**

1 December 2025

Dear Resident,

**BUSHFIRE MITIGATION WORKS 2025-2026  
UPDATE FOR RESIDENTS NEAR, AND FRIENDS OF,  
RESERVE 1847 (BINBROOK PARK)**

Further to our mailed letter, dated 14 July 2025, advising of planned bushfire mitigation works across multiple locations throughout the shire, funded through the State Government's Mitigation Activity Funds Grant Program (MAFGP), we are writing to provide an update specific to your area.

Works within Reserve 1847, "Binbrook Park" in Darlington, are expected to start in March/April 2026, subject to ground conditions allowing safe access.

**Scope of Works**

Following consultation with the Shire's Environmental Team, the works (refer to map on reverse) will comprise:

- Firebreaks: upgrade to existing (marked in green) and installation of new (marked in orange) to improve ground crew access for mitigation and emergency purposes.
- Mechanical Works: mulching alongside all breaks (highlighted in yellow) to lower the fuel load alongside residential properties, creating a buffer, for mitigation and emergency purposes.

We appreciate your understanding and cooperation while this important work is carried out. If you have any questions or would like further information – including the opportunity to meet onsite, please don't hesitate to contact us using the details below.

Shire of Mundaring Bushfire Mitigation

To stay updated on bushfire mitigation works across the Shire, visit our interactive Engage Mundaring platform at <https://engage.mundaring.wa.gov.au/bushfire-mitigation-works>. You can also scan the QR code (left) to follow the project and receive automatic updates.

Kind regards,

Karen Dore
